Kids Love SPARK!
Summer SPARK has ended and school is already back in session. The SPARK after-school program will begin September 9th. If you love helping children learn to read, brush up on math or science—or are you a former science teacher that loves working with kids? We love volunteers to help the kids with their homework and reading skills. 4-6 pm Monday through Thursday. We are excited about this semester; we will have the Metro Library ‘Come Read With Me’ program working with the kids and loads of art & craft things happening. Have some free time? Come join the fun! Interested in being a SPARK sponsor? $75.00 will pay for an entire semester of learning and fun for one child.

It’s Back to School Time Again
The Back to School program got under way on July 15th and we have now served 937 students in 112 elementary schools, 32 middle schools, 19 high schools and three colleges. This represents 13 different school districts. We still need your help in sponsoring a child for back to school....$75.00 will provide new supplies, backpack, shirt and shoes for the new school year.
If you would prefer to donate in-kind supplies, we really need donations of wide rule spiral note-books, composition note-books, Kleenex tissues, glue sticks, large pink erasers and 24 count Crayola crayons.

A big thank you to all the volunteers who have been working so hard to make going back to school special for these kids.
Congrats to the Bob & Mary Beth Rogers Golf Team
They are our 2013 Winners!

In case you missed our Golf Scramble on July 27— you missed a really great time. The crazy weather we have had this year cooperated and we had a picture perfect day for golf. Tons of great players and a wonderful time was had by all!

The 3 ladies that made up the all girls team kept telling me that they played really well and they thought they were going to be the winners... alas, they came in dead last. But since our leader Peggy Garrett was on that team we had to put a little dig in this newsletter.

Thanks to all that attended, we hope to see everyone next year.

And to the ladies team— better luck next year.
